objection has not been a sound proposition and might have caused some loss to the interest of the Board.

(d) The Punjab Wakf Board reviewed the matter in early 1997 and it was decided that no objection certificate for construction will not be issued in case of 11 months' lease and this practice has been completely stopped after 31st March, 1997. Every possible effort is being made by the punjab Wakf Board to ensure that the leasing out of Wakf properties is in consonance with the provisions of the Wakf Act, 1995 and action is also being taken against the lessees who have raised unauthorized constructions by issuing notices under the provisions of the Wakf Act, 1995.
